

Answers to Question 2. What issues, trends, or concerns are impacting what we value? (an issue is a widespread matter of public concern that something isn't the way it should be and that a public remedy is called for). What type of conditions does this issue affect (economic, environmental, life quality, other)?

<u>Type of Issue</u> (check one number for each issue) 1 = Economic 2 = Environmental 3 = Life Quality 4 = Other				Situation statement describes the identifiable problems related to the widespread concern	
1	2	3	4		Issue Statement
				A	
				B	
				C	
				D	
				E	
				F	
				G	
				H	
				I	
				J	
				K	
				L	
				M	

Answers to Question 3. If current directions persist, is this where we want to go? If not, are there local resources who can best address these trends or issues? (For each issue statement recorded in Question 2, record the local resource that is best suited to address the issue statement)

Local resource best suited to address the issue statement	Issue Statement (Situation statement describes the identifiable problems related to the widespread concern)	
	A	
	B	
	C	
	D	
	E	
	F	
	G	
	H	
	I	
	J	
	K	
	L	
	M	

Answers to Question 4. Of those issues and/or concerns that can best be addressed through the expertise of Extension educators, what priority should be placed on each issue or concern?

Issue statement priority	Issue statement that is within the scope of extension programming (Do not prioritize issues not related to Extension)	
	A	
	B	
	C	
	D	
	E	
	F	
	G	
	H	
	I	
	J	
	K	
	L	
	M
